COMMENCEMENT

Graduation...this special, looked-forward-to-day, marks the end of an era for you. Yet, it's also the commencement of new, often unknown horizons. For some, it means going on to higher educational levels, for others, the time to seek employment. As one of the largest electric and gas utilities in the United States, Consumers Power Company offers a wide variety of job opportunities. We are always looking for qualified personnel...the well-known "voice with a smile" to give our customers help and information—bright, outgoing, responsible persons to explain our many services—clerks and typists—outdoor jobs, planning and installing gas and electric service, reading meters, driving trucks—etc.

Care to join us? If you do, please get in touch with our Division office in your city.
